

# Big Ideas Math® Game Closet

## Let's Go Shopping!

### Materials:

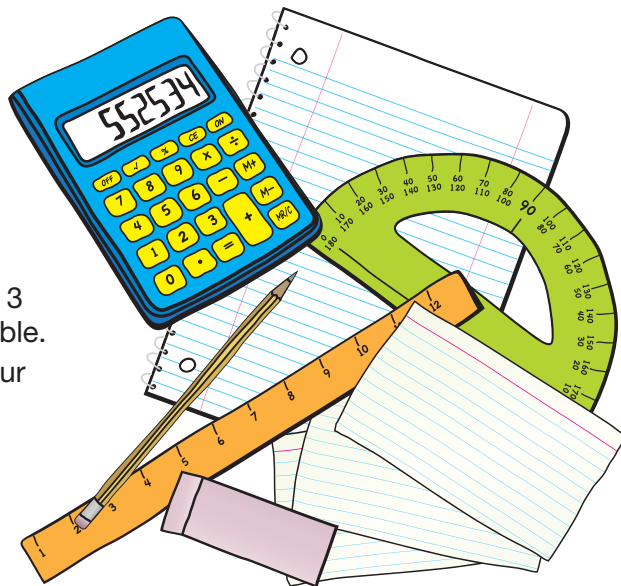

- Paper
- Pencil

### Directions:

1. Play with a partner. Together you are making a list of “Back to School” items.
2. Choose an item from the list below. You may buy 1, 2, or 3 of the item. Once an item is chosen, it is no longer available.
3. Find the cost of the item(s). Then find the total cost of your “Back to School” list.
4. The other partner takes a turn.

### Who Wins?

The student who pushes the total cost over \$30 loses.
